Optical Calibration Laboratory
Order form for optical reference standards

Please complete this form, save and send it by e-mail to optics.innventia@ri.se or by post to
RISE Innventia AB, Optical Calibration Laboratory, Box 5604, SE-114 86 Stockholm, Sweden.

Your Ref/Order No: …… Date: ……

The Optical Calibration Laboratory Sales Terms and Conditions apply.

◯ Annual subscription with delivery schedule ◯ Single order

Non-fluorescent reflectance factor standards

☐ **Type D** (*400–700 nm, at 10/20 nm interval*)
☐ **Type DX** *extended range (360–740 nm, at 10 nm interval*)
☐ **Type DE** *with ERIC-value (400–700 nm, at10 /20 nm interval and* R_{950}*)*
☐ 10 nm data required

Pieces/month: J ..... F ..... M ..... A ..... M ..... J ..... J ..... A ..... S ..... O ..... N ..... D .....

Type Z *with nominal* R_{457} *value:* ☐90% ☐80% ☐70% ☐60% ☐50% ☐20%

Pieces/month: J..... F..... M..... A..... M..... J..... J..... A..... S..... O..... N..... D.....

Fluorescent standards for adjustment to D65 (Type F) or C (Type B) conditions or combined D65/C (Type FB)

☐ F ☐ B ☐ FB

Pieces/month: J..... F..... M..... A..... M..... J..... J..... A..... S..... O..... N..... D.....

Type of report

◯ Yes, we need calibration certificate (at no extra charge)
◯ No calibration certificate, the attached data label with 20 nm data is sufficient for us

Name and address for calibration certificate and delivery:

.....
.....
.....
